>Dear Chairman Isenberg:

>

>

>I support adoption of adequately sized marine reserves at special areas  
>including Ano Nuevo, Point Sur, and Piedras Blancas. I support  
>increasing the size of the tiny existing Point Lobos, Hopkins and Big  
>Creek reserves so that they can better protect fish populations and  
>provide improved research opportunities.

>

>I also support establishing marine reserves off of Cannery Row in  
>Monterey and at the Cypress Pinnacles in Carmel Bay to restore these  
>depleted areas and improve recreational opportunities for the many  
>thousands of SCUBA divers that use these areas each year.

>

>Two of the proposals before you today--Package 2 and Package  
>A-C--protect these special areas and safeguard California's ocean  
>heritage. I urge you to consider the ingredients in these proposals as  
>you make your final recommendations so we can have a network that works  
>for all Californians.

>

>The MLPA is a unique opportunity to protect California's ocean  
>heritage, just as our state parks have helped protect our State's most  
>treasured landscapes. Thank you for the opportunity to comment, and I  
>appreciate your efforts to involve interested citizens like me in this  
>important process.
